Dear Friends,

We have very exciting news to share with the Accelerated Schools community! It is with tremendous gratitude that the Board of Directors of Accelerated Schools is announcing a new endowment fund in honor of our dedicated and exceptional leader, Jane Curran.

In August of 2020, Jane marked her 40th anniversary serving the ASOP community. This commemorative anniversary was not celebrated due to the pandemic. However, we didn't want this milestone to pass us by without honoring this venerable achievement.

Jane is a remarkable teacher, administrator, problem solver, employer, and friend to us all. While the number of lives changed by her compassion and kindness is unknown, it's safe to assume she has positively impacted thousands of students and families over the past 40 years.

This is your official invitation to participate in the Jane Curran Endowment Fund in honor of her 40th anniversary. This endowment fund will help to secure the financial stability of ASOP as educational costs and student needs continue to rise.

Please consider making a tax deductible contribution to the Jane Curran Endowment Fund. You may return the enclosed envelope or visit our website (www.acceleratedschoolsop.org) and click on the DONATE button.

Thank you for your participation in honoring Jane's dedicated service to Accelerated Schools.

Best regards,
ASOP Board of Directors
